| <b>3.1. Patient Information Pathways - transplantation</b> |  |                            |            |
|--|--|----------------------------|------------|
| Log No   | Action   | Lead(s)                    | Deadline   |
| 59   | To send Lucy Carroll the draft transplantation patient information pathway for circulation to the group.   | K Midgley                  | 18/03/2008 |
| <b>4. NOW Update</b>                                       |  |                            |            |
| Log No   | Action   | Lead(s)                    | Deadline   |
| 60   | To keep the group updated on any issues in relation to the opening of the Bexley Wing at St James's University Hospital.   | M McHugh and S Liebersbach | 18/03/2008 |
| <b>5. Safer Eating Guidelines Audit Outcome</b>            |  |                            |            |
| Log No   | Action   | Lead(s)                    | Deadline   |
| 61   | Kirsten Midgley tabled the results of the HYCCN and YCN Haematology Nurses Group Safer Eating Guidelines Audit. A group discussion followed regarding the boiling of water. Members agreed it would be clearer if the guidelines could be amended to say 'it is advisable to boil water in certain circumstance and this will be discussed with you on an individual basis'.<br><br>Kirsten Midgley agreed to discuss this with the YCN Infection group at the meeting taking place on Thursday 6th March. | K Midgley                  |            |
| <b>6. Generic patient information satisfaction survey</b>  |  |                            |            |
| Log No   | Action   | Lead(s)                    | Deadline   |
| 62   | June Toovey informed members that as a result of the Cancer Reform Strategy they are looking nationally at producing a patient experience survey that can be used across all tumour sites. June Toovey will be establishing a group to take this work forward as a Network noting that volunteers from the Nurses group will be welcome.<br><br>When establishing the group, to email the HYCCN and YCN Haematology Nurses Group to request volunteers for the working group.                              | J Toovey                   |            |

| <b>7. Patient information leaflets</b> |   |                      |                      |
|--|---|----------------------|----------------------|
| Log No                                 | Action  | Lead(s)              | Deadline             |
| 63                                     | To circulate the following patient information leaflets for final comments;<br><br>Bone Marrow Aspiration and Biopsy<br>Information about your skin tunelled catheter<br>The Haematology Clinic   | L Carroll            | 08/03/2008           |
| <b>8. Any Other Business</b>           |   |                      |                      |
| Log No                                 | Action  | Lead(s)              | Deadline             |
| 64                                     | ► HYCCN & YCN Haematology Nurses Educational Event<br><br>The group produced a provisional itineray for the HYCCN and YCN Haematology Nurses Educational Event taking place on Friday 10th October 2008.<br><br>Andrew Jack, Consultant Hisopathologist, HMDS has agreed to present on Prognostic Factors.
